

Miracle

Unspoken

Have you stopped reaching?
No longer seeking greater things
Have you forgotten you have a father listening?
He tells the sun when to rise
Gives the wind it's breath
Swings a door wide open and moves in a moment you least expect
Don't you give up on a miracle
You've got to speak the impossible
You've got to pray till you break through breaks through the ceiling keep on believing
Don't you give up
Don't you give up on a miracle
How many chances?
How many answers pass us by?
You know it takes faith to step on the waves when you're terrified
So when you're packed in a corner
And can't wait any longer
Don't you give up on a miracle
You've got to speak the impossible
You've got to pray till you break through breaks through the ceiling keep on believing
Don't you give up
Don't you give up on a miracle
Feels like the presents the words you've spoken
They go unnoticed like drops in the ocean
Just beyond the veil of your vision
Your mountains are moving, moving on
Remember the works his hand has done
Where you once were and how far you've come
Don't you give up on a miracle
You've got to speak the impossible
You've got to pray till you break through breaks through the ceiling keep on believing
Don't you give up
Don't you give up on a miracle
You've got to speak the impossible
Pray till you break through breaks through the ceiling keep on believing
Don't you give up
Don't you give up on a miracle
Pray till you break through breaks through the ceiling keep on believing
