

Show You Love

Jaci Velasquez

Please forgive me
If I come on too strong
I get a little anxious
When I talk about God's love
Hold me back now
Stop me if I start to preach
'Cause I don't want to be the one
To push you out of reach
The way to give love
Is how you live love
That is what I'll do
You cannot fight it
You can't deny it
Love will get to you
Chorus:
Don't wanna get up in your face
Don't wanna put the pressure on
Don't wanna make you run away
Just wanna show you love
Don't wanna beg you to believe
Don't wanna take you for a ride
Don't wanna sell you anything
Just wanna show you love
Show you love
Just wanna show you love
I won't convince you
With anything I say
But maybe you will see His love
In how it is portrayed
An act of kindness
A loving sacrifice
Simple little things that have
The power to change your life
There's no surprises
And no disguises
Just the blessed truth
No obligation
No complication
Just a gift for you.
