

Only Sixteen

The Supremes

He was only sixteen, only sixteen
I loved him so
But he was too young to fall in love
And I was too young to know We'd laughed at sixteen and do little things
That makes my heart glow
But he was too young to fall in love
And I was too young to know Now why did I give my heart so fast?
It will never happen again
But I was a mere girl of sixteen
I've aged a year since then He was only sixteen, only sixteen
With eyes that would glow
But he was too young to fall in love
And I was too young to know Why did he give your heart so fast?
It never will happen again
But you was a mere girl of sixteen
I've aged a year since then He was only sixteen, only sixteen
I loved him so
But he was too young to fall in love
And I was too young to know He was only sixteen, only sixteen
I loved him so
But he was too young to fall in love
And I was too young to know Only sixteen, only sixteen
I loved him so
