Gold Coast

ALOKE

So you travel around this country
Your looking for your holy ghost
and what you gonna find
is it somewhere where you like to hide?
So you around your ego, you run around your gold coast
and you got the time
because this prison is our own design
and you where from son?
and are you a troubled one
and if so come under my way
and whats your story
and is there glory today
cus thats the only way that i'll pay
so you run around this earth top
you run around your headmop
and what you want to find
is piece of the mind
which you cant describe
and its definetly something
its definetly somewhere
the signs are there
call it a fable
would just be unfair
and you from girl?
and will you pay my world
and if so come under my way
and whats your story?
and is there glory today
cus thats the only way that i'll pay
doo doo dooooo doooo doooo doooooooooo ooooooo
