

# **Sing Mary Sing**

**Jennifer Knapp**

Mary had a baby born in a manger  
Mary what to do, Mary what to do?  
    Before the vow was made  
In her belly laid the KingSing Mary, sing, lullaby the King  
    Born to be our pardon,  
    No longer shall we weep  
    Come soften what was hardened  
Sing Mary, singHerod with a vision out with a vengeance  
    Mary what to do, Mary what to do?  
Flee to Galilee raise a baby King of KingsSing Mary, sing lullaby the King  
    Born to be our pardon  
    No longer shall we weep  
    Come soften what was hardened  
Sing Mary, singMary in your mourning  
    Turn now as you weep  
Look to see a SaviorO sing Mary, sing  
    Sing Mary, sing
