

My First Ride

Aaron Carter

Alright yeah alright
I got my first ride with my dad
I so a girl that is cute but my dad told me to
Ride the Rollercoaster
My first ride
My first ride
My first ride
Oh girl I wish you and I are together
It's so cool if
We are
Holding hands in the park
It's so cool if
You and I are dating
I JUST WISH
My first ride
My first ride
My first ride
