

# What I Really Meant To Say

## Cyndi Thomson

It took me by surprise  
When I saw you standing there  
Close enough to touch  
Breathing the same air  
You asked me how I've been  
I guess that's when I smiled and said just fine,  
Oh but baby, I was lyingWhat I really meant to say  
Is I'm dying here inside  
And I miss you more each day,  
There's not a night I haven't cried  
And baby here's the truth  
I'm still in love with you,  
That's what I really meant to sayAnd as you walked away  
The echo of my words  
Cut just like a knife  
Cut so deep it hurt  
I held back the tears  
Held onto my pride  
And watched you go  
I wonder if you'll ever knowWhat I really meant to say  
Is I'm dying here inside  
And I miss more each day  
There's not a night I haven't cried  
And baby here's the truth  
I'm still in love with youWhat I really meant to say  
Is I'm really not that strong  
No matter how I try  
I'm still holdin' on  
And here's the honest truth  
I'm still in love with youYeah, that's what I really meant to say  
That's what I really meant to say  
That's what I really meant to say.
