

# Day In Day Out

Eliane Elias

Day in, day out  
The same old voodoo follows me about  
The same old pounding in my heart whenever I think of you  
And baby I think of you day in, day outDay out, day in  
I needn't tell you how my days begin  
When I awake I awaken with a tingle, one possibility in view  
The possibility of maybe seeing youCome rain, come shine  
I meet you and to me the day is fine  
Then I kiss your lips and the pounding becomes  
The oceans roar, a thousand drumsCan't you see it's love? Can there be any doubt  
When there it is day in, day out  
Day in, day outDay in, day out  
The same old voodoo follows me about  
The same old pounding in my heart whenever I think of you  
And baby I think of you day in, day outDay out, day in  
I needn't tell you how my days begin  
When I awake I awaken with a tingle, one possibility in view  
The possibility of maybe seeing youCome rain, come shine  
I meet you and to me the day is fine  
Then I kiss your lips and the pounding becomes  
The oceans roar a thousand drumsCan't you see it's love? Can there be any doubt  
When there it is day in, day out  
Day in, day out, and in, and out  
Day in, day out, day in and out
