

# Reach

## S Club 7

When the world, leaves you feeling blue  
You can count on me, I will be there for you  
When it seems, all your hopes and dreams  
Are a million miles away, I will reassure you We've got to all stick together  
Good friends are there for each other  
Never ever forget that I got you  
And you got me so Reach for the stars, climb every mountain higher  
Reach for the stars, follow your hearts desire, reach for the stars  
And when that rainbow's shining over you  
That's when your dreams will all come true There's a place, waiting just for you  
It's a special place, where your dreams all come true  
Fly away, swim the ocean  
Drive that open road, leave the past behind you Don't stop, gotta keep moving  
Your hopes, gotta keep building  
Never, ever forget that I got you  
And you got me so Reach for the stars, climb every mountain higher  
Reach for the stars, follow your hearts desire  
Reach for the stars  
And when that rainbow's shining over you  
That's when your dreams will all come true Don't believe in all that you've been told  
The sky's the limit, you can reach your goal  
No-one knows just what the future holds  
There ain't nothing you can't beat  
There's a whole world at your feet  
I said reach Climb every mountain  
Reach for the moon  
Follow that rainbow  
And your dreams will all come true Reach for the stars, climb every mountain higher  
Reach for the stars, follow your hearts desire  
Reach for the stars  
And when that rainbow's shining over you  
That's when your dreams will all come true Reach for the stars, climb every mountain higher  
Reach for the stars, follow your hearts desire  
Reach for the stars  
And when that rainbow's shining over you  
That's when your dreams will all come true Reach for the stars, climb every mountain higher  
Reach for the stars, follow your hearts desire  
Reach for the stars
