Reach

S Club 7

When the world, leaves you feeling blue You can count on me, I will be there for you When it seems, all your hopes and dreams

Are a million miles away, I will reassure youWe've got to all stick together

Good friends are there for each other

Never ever forget that I got you

And you got me soReach for the stars, climb every mountain higher

Reach for the stars, follow your hearts desire, reach for the stars

And when that rainbow's shining over you

That's when your dreams will all come trueThere's a place, waiting just for you

It's a special place, where your dreams all come true

Fly away, swim the ocean

Drive that open road, leave the past behind youDon't stop, gotta keep moving

Your hopes, gotta keep building

Never, ever forget that I got you

And you got me soReach for the stars, climb every mountain higher

Reach for the stars, follow your hearts desire

Reach for the stars

And when that rainbow's shining over you

That's when your dreams will all come trueDon't believe in all that you've been told

The sky's the limit, you can reach your goal

No-one knows just what the future holds

There ain't nothing you can't beat

There's a whole world at your feet

I said reachClimb every mountain

Reach for the moon

Follow that rainbow

And your dreams will all come trueReach for the stars, climb every mountain higher

Reach for the stars, follow your hearts desire

Reach for the stars

And when that rainbow's shining over you

That's when your dreams will all come trueReach for the stars, climb every mountain higher

Reach for the stars, follow your hearts desire

Reach for the stars

And when that rainbow's shining over you

That's when your dreams will all come trueReach for the stars, climb every mountain higher

Reach for the stars, follow your hearts desire

Reach for the stars
