When You Tell Me That You Love Me

Coco Lee

[Julio]I wanna feel this way longer than time
I wanna know your dreams and make them mine
I wanna change the world only for you
All the impossible i wanna do
[CoCo]I wanna hold you close under the rain
I wanna kiss your smile and feel your pain
I know it's beautiful looking at you
You're in a world of lies, you are the truth
[Both]And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me
[Julio]I wanna make you see just what i want
Show you that lonliness and what it does
[CoCo]You walked into my life to stop my tears
Everything is easy now, I have you here

[Both]And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me
[Bridge - Both]In a world without you (Without you)
I will always hunger
All i need is true love to make me stronger
Yeaa.....
[Both]And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me
[Julio]When you tell me that you love me
[CoCo]When you tell me that you love me
[Both]When you tell me that you love me
