

# Ann Jane

## The Jayhawks

Jane don't cry  
Your daddy'll be all right  
Jane don't cry  
Your daddy'll be all right  
He's there with you  
How do I know  
I walk with him  
Supper will be at six fifteen  
Supper will be at six fifteen  
Come home soon  
None of those people  
Know you're mine  
Ann Jane don't cry  
Ann Jane don't cry  
Say that you need someone  
There my sister  
Say that you need someone  
To be yours  
Say that you need someone  
There my sister  
Say that you need someone  
To be yours  
Beans and jello  
I made them by myself  
Beans and jello  
I made them by myself  
Please stay close  
Many in this world walk with God  
Ann Jane don't cry  
Ann Jane don't cry  
Say that you need someone  
There my sister  
Say that you need someone  
To be yours  
Say that you need someone  
There my sister  
Say that you need someone  
To be yours  
Jane don't cry

Jane don't cry  
Jane don't cry  
Daddy'll be all right
