

All I Need (Remastered Version)

My Bloody Valentine

You don't ask what I needed to do
When I come back you'll need to choose
Oh, whatever I ask you take take take take
Oh, this is all I need to say It's in your eye, I wondered why
No need to say (how close) can we lie
Oh, we don't talk, you know all I need
Oh, this is what I need to take You don't ask what I needed to do
When I come back you'll need to choose
Oh, all I ask you do do do do
Oo, this is all I need from you
