

# Kicking and Screaming

Miley Cyrus

Don't keep me waiting, anticipating  
Treating me like a fool  
I got news for you, I'm turning my back  
I'm dropping a bomb on you You want me, you need me  
Believe me, you'll be callin'  
You love me, you hate me  
Believe me, you'll come crawlin' So get down, and get it off  
Let me show you what you'll be missing  
We break up, you break down  
Gonna drag you through this kicking and screaming Don't keep me guessing, I'm your favorite obsession  
Don't get me that lame excuse  
Is it me that you're missing? It's that same old confession  
You're the one with something to lose Watch out now, so glad now  
There's no doubt, you can't have it  
Control you, I'll own you  
I'll show you, but you still can't have it So get down, and get it off  
I'ma show you what you'll be missing  
We break up, you break down  
Gonna drag you through this kicking and screaming So get down, and get it off  
You're not the only one that I've been missing  
We break up, you break down  
Gonna drag you through this kicking and screaming You'll be kicking and screaming  
You'll be kicking and screaming  
I'm so deceiving  
You'll be kicking and screaming Watch out now, you'll find out  
You'll cry out, there's no one above me  
I play hard, don't run far  
Come back now, I really do like you So get down, and get it off  
I'ma show you what you'll be missing  
We break up, you break down  
Gonna drag you through this kicking and screaming So get down, and get it off  
You're not the only one that I've been missing  
We break up, you break down  
Gonna drag you through this kicking and screaming You'll be kicking and screaming  
You'll be kicking and screaming  
Kicking and screaming  
Kicking and screaming
