

Time Has Come Today

[Meshell Ndegeocello](#)

time has come today
young hearts can go their way
can't put it off
another day
i don't care what others say
they think we don't listen anyway
time has come todayoh, the rules have changed today
hey
i have no place to stay
hey
i'm thinking about the subway
hey
my Love has flown away
hey
my tears have come and gone
hey
oh my lord, i have to roam
hey
i have no home
hey
i have no home
hey now, the time has come
time
there's no place to run
time
i might get burned up by the sun
time
but i had my fun
time i've been Loved and put aside
time
i've been crushed by tumbling tide
time
and my soul's been psychedelized
time time
now the time has come
time
and there are things to be realized
time
time has come today

time
time has come today
timeevery day i walk through life
in search of understanding
timei find myself, asking
why, can't a motherfucker get by
time?
never without you baby
timetimeevery day i walk through life
in search of understanding
timemy tears have come and gone
oh my lord, i have to roam
timetime
timetime
the time, has come
realize
the time, has come
realize
the time has, come
realize
the time, has come.
