Bang Bang (In a Box Version)

Asaf Avidan

I love you like the roots in the sand
I love you oooh oooh oooh like God loves His plan
I love you like death loves a man
and I love you like a gun in my handI go Bang, bang, bang, a-bang, bang, bang, bang
I'm back, I'm back againI love you like a scalpel loves flesh
I love you like blood that is fresh
I love you like a Jew on the run
I love you like my hand on a gun
Bang, bang, bang, a-bang, a-bang, bang, sha-bang
I'm back, back againOooh Ooooh Oooh Ooooh Oooh
I can't think any damn thing, anything but you
Oooh Ooooh Oooh Oooh Oooh
That is how I love, love, love, love, love you(Hut!)
I love you like chisel and stone
I love you oooh oooh oooh like needle and bone
I love you like (a) God loves His son
and I love you like my hand on a gunI go bang bang bang bang bang bang bang bang
I'm back, back again
