

# Insatiable

Atreyu

Can't check myself at all  
Break my fist on the fucking wall  
Because raw instinct is all I know  
And it suits me just fine Convince myself that my  
Actions aren't received as spite  
Then passionately is how I'll go  
And it suits me just fine When I have everything I want  
Will I be good enough?  
But I can't have everything 'Cause nothing's good enough  
I'm insatiable  
And I hunt down my dreams  
It's the only thing I know Suddenly anger cripples  
Colors red everything around me  
Sometimes we hurt the ones that we love  
And it kills me inside Then I will pay a price, you see  
The cost is overbearing  
The price I pay could be undreamed of  
And it kills me inside When I have everything I want  
Will I be good enough?  
But I can't have everything 'Cause nothing's good enough  
I'm insatiable  
And I hunt down my dreams  
It's the only thing I know  
I'm insatiable Don't look down on me  
I can bear this burden alone  
This constant dark craving  
Ripping apart my soul 'Cause nothing's good enough  
I'm insatiable  
And I hunt down my dreams  
It's the only thing I know  
I'm insatiable Don't look down on me  
I can bear this burden alone  
This constant dark craving  
Ripping apart my soul  
I'm insatiable
