I Was Made for Dancin'

Leif Garrett

You got me rollin' like a wheel on the road
Turnin' round and round, nowhere to go
I've got to find out if you're feeling it too
It's hard to tell, so here's what I do
And every time I want more
I'll take you out on the floorI was made for dancin'
All, all, all, all night long
I was made for dancin'
All, all, all, all night longThe days and nights are moving by me and you
You're such a crazy love, you tear me in two
I spend my time moving to dreams and a phase
It's a crazy love, you can see it in my face
And every time I want more
I'll take you out on the floorI was made for dancin'
All, all, all, all night long
(Yeah)
I was made for dancin'
All, all, all, all night longI was made for dancin'
All, all, all, all night long
I was made for dancin'
All, all, all, all night longAh, hah, dancin'
I was made for dancin', ah, hah
I was made for dancin', dancin', dancin'I was made for dancin'
All, all, all, all night long
(Yeah)
I was made for dancin'
All, all, all, all night long
Oh, I was made for dancin'
All, all, all, all night long
(Yeah)
