Da Hype (Vocal Mix)

Junior Jack

I'm flying again,
so good to pretend,
I'm in love with the end,
I just want to be your's...I'm flowing away,
so good to just play,
I'm in love with today,
only want to be your's..
I just want to be your's,
only want to be your's....You and me,
all there ever is,
You and me,
is anyone,
You and me,
lost in moderness,
You and me,
is everyone
is everyone...
is everyone....I'm voting in you,
so good to be true,
I'm in love with you,
I just want to be your's...
only want to be your's....I'm flying again,
so good to pretend,
I'm in love with the end,
I just want to be your's...
only want to be your's...
I just want to be your's...
only want to be your's...I'm flying again,
so good to pretend,
I'm in love with the end,
I just want to be your's...
only want to be your's...
I just want to be your's...
only want to be your's...
