# Supersonic

## Amaranthe

Beg for forgiveness; no need to ask
I'll be your guidance onto your path
Don't feel no pressure but don't waste my time
I traveled faster to reach my primeSupersonic, polyphonic, this is our war
Mustering the armies, marching faster than before
Electronic yet symphonic, this is our score
We are not ironic; we're supersonicRush as we cross the speed of sound
Let us lead you to become the sonic, supersonic
Faster than lightning, we are higher than life
We are designs of supersonic lifeThey say I'm crazy, I'm not a fool
Not even listenin', I make my rules
Never forgive me, I'm free at last
I'm supersonic, I'm built to lastSupersonic, polyphonic, this is our war
Mustering the armies, marching faster than before
Electronic yet symphonic, this is our score
We are not ironic; we're supersonicRush as we cross the speed of sound
Let us lead you to become the sonic, supersonic
Faster than lightning, we are higher than life
We are designs of supersonic lifeWe're unbound by sonic skies
We're on our way, we're on the rise
Faster than lightning, we are higher than life
We are designs of supersonic lifeSupersonic
SupersonicYou cannot control me now (I'm supersonic)
Hear me, let me show you how (I'm polyphonic)You cannot control me now
Sky's on fire and the house burns down
Scene of the crime at the end of the line
As you turn around the beat goes downRush as we cross the speed of sound
Let us lead you to become the sonic, supersonic
Faster than lightning, we are higher than life
We are designs of supersonic lifeWe're unbound by sonic skies
We're on our way, we're on the rise
Faster than lightning, we are higher than life
We are designs of supersonic life
