

# Bleed (Remix)

## Blitz

Bleed - You are bleeding to death  
But from the outside you look so good  
And inside you've rotted away  
And you won't know until that dayWhen we have drained you  
It will be too late  
To save your skin  
And alter your faceAnd a little time is all that we need  
And now we are watching you bleed...
