

# Never Sleep Alone (feat. Tess Comrie) - CID Remix

## Kaskade

You know I'm tired  
of living like a ghost  
god only knows  
I've given more than most  
I cover up scars  
that emptiness has caused  
when the chemicals take  
will it be me you dream of  
there's a heartbeat  
somewhere  
love, I'm gonna find you there  
in the darkness  
sleepless  
love, I wanna have you near  
we never sleep alone  
never sleep alone  
never sleep alone  
never sleep alone  
you shake me up  
the moment before sleep  
you're calling out  
the demons inside me  
and when they're gone  
the hours I'm awake  
I take these pills  
and pray to god they'll take  
there's a heartbeat  
somewhere  
love, I'm gonna find you there  
in the darkness  
sleepless  
love, I wanna have you near  
we never sleep alone  
...

never sleep alone
