Domino

Saint Saviour

Show, show us how words go
You are the golden you are the youth
Know, know this is a new low
This is the truth don't you know

Each new glimmer of hope
Steeper, steeper the slope
All this time I've been treading water
Barely staying afloat
Lined up like a lamb to the slaughter
Domino domino domino

Woah say you're going solo
You are the answer you are the new
Go swimming in the shallows
Cos no one wants to see you go below go below
don't you know

Seedling, weedling to grow
Dreamer, thoughts creep and flow
One wall down make way for another
Stealing, stealing the show
One by one we fall for each other
domino domino domino

A.Dot rap (incomplete)

Bricks stones broken bones
High tops and open toes
Told you I'm on overload
Slipping on this frozen slope

Kings Cross in overcoats
Tie the noose and hold the rope
Most of 'em will come and go
Putting two and two together guess we'll call it dominoes.....
