

Big Black Furry Creature from Mars

Phish

When I get home from work, what do I do?
I try to kill you
When I get home from work, what do I do?
I try to kill you And why would I try to kill you? Because you're a
Big black furry creature from Mars
Big black furry creature from Mars
Big black furry creature from Mars
Big black furry creature from Mars When we go out to eat, what do I do?
I try to kill you
When we go out to eat, what do I do?
Oh, I am killing you Now why would I go and do that? Because you're a
Big black furry creature from Mars
Big black furry creature from Mars
Big black furry creature from Mars
Big black furry creature from Mars I'm runnin', I'm runnin' from you
I'm runnin', I'm runnin' And what causes me to run? 'Cause you're a
Big black furry creature from Mars
Big black furry creature from Mars
Big black furry creature from Mars
Big black furry creature from Mars Big black furry creature from Mars
Big black furry creature from Mars
Big black furry creature from Mars
Big black furry creature from Mars Big black furry creature from Mars
Big black furry creature from Mars
Big black furry creature from Mars
Big black furry creature from Mars
