

# Tell Me What To Do

## Metro Station

Come on, don't feel this way  
You're only gonna solve this for one day  
You wanna get high  
And then complain  
Girl, I only think of you always and forever  
And forever Remember when you just came out  
When everyone knew what you were all about  
You faked your death and that was fun  
But girl, I think it's just begun You take another line  
And you feel fine this time  
And it goes like this, girl [Chorus]  
Girl, tell me what to do  
Girl, I'm so in love, whoa  
I'm so in love with you, you, you I'll just stop  
Right around when things get bad  
You said that  
And much has passed  
Come on now, this'll be real fast  
Darling, I know you need the cash  
Yeah, move like that  
Yeah, yeah, yeah, move like that The sky will clear  
You say with ease  
You leave real fast to get relieved  
Your heart was locked  
I had the key  
Now this disease won't let us be You take another line  
And you feel fine this time  
And it goes like this, girl [Chorus] Come on, girl, I need you  
(Just to try to break you)  
Everything about you  
(Makes me wanna leave you)  
Come on, girl, I need you  
(Just to try to break you)  
Everything about you  
(Makes me wanna leave you) [Chorus]  
Girl, tell me what to do  
Girl, I'm so in love, whoa  
I'm so in love with you, you, you (x2)
