

Talk

Against The Current

Advisory - the following lyrics contain explicit language:

[Verse 1]

You say you adore me
But your eyes tell a story I've heard before
And damn, boy, you must think I'm dumb
As if I don't know about the things you've done
Got a girl in every city
But somehow you're still lonely
I'm not the one to sit around waiting by my phone
While you're wasted telling other girls they're beautiful[Pre-Chorus]
So why don't we just call it what it is?
We both know we're getting what we give[Chorus]
You say you really wanna change
But all you do is talk, talk, talk
Then walk the same way
I say what you don't wanna say
I think we better stop, stop, stop
Before it's too late
Don't say you wanna stay forever
We both know that I know you better
You say you really wanna change
But all you do is talk, talk, talk
Talk, talk, talk, talk![Verse 2]

I say I don't want this
But I know that I'll miss you when you're gone
And being tangled up in the sheets
But I know that you're not what's good for me[Pre-Chorus]
So why don't we just call it what it is?
Cause everybody knows you're full of shit[Chorus]
You say you really wanna change
But all you do is talk, talk, talk
Then walk the same way
I say what you don't wanna say

I think we better stop, stop, stop
Before it's too late
Don't say you wanna stay forever
We both know that I know you better
You say you really wanna change
But all you do is talk, talk, talk
Talk, talk, talk, talk![Bridge]
Baby, I know all you'll do
Is keep talking me back to you
Your words don't mean a thing
Cause I'm done listening[Pre-Chorus]
All you do is talk
All you do is talk
All you ever do is talk, talk, talk, talk[Chorus]
You say you really wanna change
But all you do is talk, talk, talk
Then walk the same way
I say what you don't wanna say
I think we better stop, stop, stop
Before it's too late
Don't say you wanna stay forever
We both know that I know you better
You say you really wanna change
But all you do is talk, talk, talk
Talk, talk, talk, talk![Outro]
Talk, talk, talk, yeah
