

In Plain Sight

Dead Letter Circus

And I hope that one day I will see you again

Maybe it's time we say that it's over

Control

Contracts

Faded smiles on faces we lived

Maybe it's time we say that it's overStop

Help me

I'm hoping I can change your mind

I'm empty

I'm hoping you can see the signs

Only I can see to fight again

The moment of defeat to find a way

No one will replace you

Only I can save you

Unconscious addiction

I follow you but you motion to stay

Defiance

Denial

I promise you there is more

I can changeYou say let it go

Move on

I keep hanging onStop

Help me

I'm hoping I can change your mind

I'm empty

I'm hoping you can see the signs

Only I can see to fight again

The moment of defeat to find a way

No one will replace you

Only I can save you

In plain sight of Dream shattered And I hope that one day I will see you again

Maybe it's time we say that it's over

Control

Contracts

Faded smiles on faces we lived

Maybe it's time you leave now

It's overStop

Help me

I'm hoping I can change your mind

I'm empty
I'm hoping you can see the signs
Only I can see to fight again
The moment of defeat to find a way
No one will replace you
Only I can save you
