Nothing to Prove (live)

Caroline's Spine

I should be able to get over yourself
nothing given means nothing can get kicked around
I fear you and I occasionally think too
your insecurity makes living life tough on me, butI don't know if you'll feel this way all the time
hear me, I don't think you're right
and no... you got nothing to proveAnd I ponder why you're always trying to take what's mine
hear me, I won't fight you
you know you've got nothing to prove
I'm always able to get over myself
I still remember how you helped me figure it out
but I fear you and I occasionally think too
your insecurity pollutes your path to purity, butI don't know if you'll feel this way all the time
hear me, I don't think it's right
no... you got nothing to proveand I ponder why you're always trying to take what's mine
hear me, I won't fight you
no, it's not my wayI guess now you know why I never called ... (x2)
I guess now you know why I . yeah .We should be able to get over ourselves
time in small quantity I think would work very wellI don't know why you feel this way all the time
hear me, I don't think you're right
you know you've got nothing to prove
and I ponder why you're always trying to take what's mine
hear me, I won't fight you
no, it's not my wayI guess now you know why I never called ... (x2)
I guess now you know why I ...
