

# Heart Full Of Love

## El Debarge

Every sidewalk's filled with snow,  
And people rush to make it home?  
I think of those with nowhere to go,  
I just wanna be a miracle.  
The stars are lighting up a sky,  
A wish for everyone in sight,  
Was tired of hurting deep inside,  
And you are the reason I'm alive  
I'm hear for you cause,  
I got a heart full of love,  
And I'm here for you,  
My heart's full of love,  
I'm here for you,  
Open your heart up to love,  
Cause love's the cure,  
I got a heart full of love,  
And I'm here for you ooh ooh Now it's the time for giving back,  
Undo the wrongs,  
And lend a hand,  
You care to show,  
Share a smile or two,  
Share a smile or two,  
Do believe,  
Let's take away the misery,  
And take away the misery,  
And It's time there's so much love and I want to give,  
Well here it is it's yours,  
So open up your heart full of love,  
I got a heart full of love,  
And it's for you,  
My heart's full of love,  
I'm here for you,  
Open your heart up to love  
Cause Loves the cure,  
I got a heart full of love  
And I'm here for you ooh ooh  
It's for you ooh ooh  
I gotta heart full of love yea,  
And it's for you,

For your love for your love,  
Sending me a miracle,  
If you need a place to go,  
My heart's here for you yea you yea
