

# Lets Work Together

## Canned Heat

Together we'll stand  
Divided we'll fall  
Come on now people  
Let's get on the ball  
And work together  
Come on, come on  
Let's work together  
(Now now people)

Because together we will stand  
Every boy, every girl and man  
People, when things go wrong  
As they sometimes will  
And the road you travel  
It stays all uphill  
Let's work together  
Come on, come on  
Let's work together

You know together we will stand  
Every boy, girl, woman and man  
Oh well now, two or three minutes  
Two or three hours  
What does it matter now  
In this life of ours  
Let's work together  
Come on, come on  
Let's work together  
(Now now people)

Because together we will stand  
Every boy, every woman and man  
Ahhh, come on now  
Ahhh, come on, let's work together  
Well now, make someone happy  
Make someone smile  
Let's all work together  
And make life worthwhile  
Let's work together  
Come on, come on  
Let's work together  
(Now now people)

Because together we will stand  
Every boy, girl, woman and man  
Oh well now, come on you people  
Walk hand in hand  
Let's make this world of ours  
A good place to stand  
And work together  
Come on, come on  
Let's work together  
(Now now people)

Because together we will stand  
Every boy, girl, woman and man  
Well now together we will stand  
Every boy, girl, woman and man
