

# Marching To Mars

## Sammy Hagar

Here we go marching to Mars  
On a rainbow bridge  
It doesn't seem so far  
Steppin' into our universe  
Moving towards life  
To solve the problems on Earth  
Everybody's marching to Mars  
Gonna settle down there  
Get me a house and a car  
Save each other from ourselves  
Poke our heads out of the sand  
Sayin' Here I am  
Marchin' to Mars  
We're marchin' to Mars  
Hollywood's marching to Mars  
For a grand new movie  
With some brand new stars  
Plastered on the silver screen  
Gonna bring it on home  
So you won't have to leave  
Is there life in the universe  
Yeah, there's life in the universe  
We'll find God in the universe  
We'll find God but we'll find life first  
Marchin' to Mars  
Marchin' to Mars  
We're marchin' to Mars  
Marchin' to Mars
