

# I'm Dancing for Your Love (feat. Chaka Khan)

## Rufus & Chaka Khan

I see that guy that you're standing near  
I know you think that he's fine  
He gets you hot with his dancing gear  
But you ain't had none of mine Oh, I like the way you move  
I'd like to feel your groove  
He'll never do you like me  
I got the stuff you need Oh, danse pour ton amour  
Dancing for your love  
Je danse pour ton amour  
Dancing for your love tonight I saw you looking like you wanted some  
And you were looking at me  
If you want to party and have some fun  
I'm the guy you should see  
I, I got the stuff to soothe  
I like the way you move  
You got the power to be  
Everything that I need Oh, danse pour ton amour  
Dancing for your love  
Je danse pour ton amour  
Dancing for your love tonight I saw you looking like you wanted some  
And you were looking at me  
If you want to party and have some fun  
Then I'm the guy you should see Oh, I like the way you move  
I'd like to feel your groove  
You got the power to be  
Everything that I need  
Oh, danse pour ton amour  
Dancing for your love  
Je danse pour ton amour  
Dancing for your love Oh, danse pour ton amour  
Dancing for your love  
Je danse pour ton amour  
Dancing for your love Oh, danse pour ton amour  
I'm dancing for your love  
Je danse pour ton amour  
Dancing for your love
