Silent Running

Shael Riley

Take the children and yourself
And hide out in the cellar
By now the fighting will be closed at hand
Don't believe the church and state
And everything they tell you
Believe in me, I'm with the high commandCan you hear me, can you hear me running?
Can you hear me running, can you hear me calling you?
Can you hear me, can you hear me running?
Can you hear me running, can you hear me calling you?There's a gun and ammunition
Just inside the doorway
Use it only in emergency
Better you should pray to God
The father and the spirit
Will guide you and protect from up hereCan you hear me, can you hear me running?
Can you hear me running, can you hear me calling you?
Can you hear me, can you hear me running?
Can you hear me running, can you hear me calling you?Swear allegiance to the flag
Whatever flag they offer
Never hint at what you really feel
Teach the children quietly
For someday sons and daughters
Will rise up and fight while we stood stillCan you hear me, can you hear me running?
Can you hear me running, can you hear me calling you?
Can you hear me, can you hear me running?
Can you hear me running, can you hear me calling you?Can you hear me, can you hear me running?
Can you hear me running, can you hear me calling you?
Can you hear me running, can you hear me calling you?
Can you hear me?Hear me calling you
Can you hear me running, hear me running, babe?
Can you hear me running, hear me running?
Calling you, calling you
