

On my Mind

Rebelution

You got me screaming from the top of my lungs
When are you ever gonna give me some?
I hope you come around from time
And everything will be just fine fine fine, cause
I see that you got what I want
I see that you got what I need, yeah
So come on baby, come and get with me
It seems like yesterday
The words were on the tip of my tongue
But now I feel like a rat in a cage
Girl, you've got me sprung because
Love, love, love is on my mind
Well, you never even talk to me
I'm not a beggar but I'm down on my knees
If I ever get the courage to do, yeah
Oh half of the things I wanted to do to you
I saw you walking away in a distance now, Whoa oh yeah
Walking away in a distance now, whoah yeah
It seems like yesterday
The words were on the tip of my tongue
But now I feel like a rat in a cage
Girl, you've got me sprung because
Love, love love, its on mind
Love, love, love, its on my mind
Oh yeah, its on my mind
