Fireside Yodel

Harry Torrani

As I sit alone by the fire side
And dream as the day goes along
When I was a carefree young fellow
life was just one happy song
breee who deee oo ley de oo
hyd ur lay oo dee oo dee oo deee
breee who deee oo ley de oo
hyd ur lay oo do oo dee

where are u my sweetheart of yesterday
I feel so lonesome and blue
With nothing it seems but my memories
Waiting to whisper to u

breee who deee oo ley de oo
hyd ur lay oo deee
breee who deee oo ley de oo
hyd ur lay oo dooo dee

at dawning one hopes comes to queary
but while I bring sorrows a new
and night find me here with my momeries
sending this message to you
breee who deee oo ley de oo
hyd ur lay oo dooo dee
breee who deee oo ley de oo
hyd ur lay oo dooo dee
