

Fireside Yodel

Harry Torrani

As I sit alone by the fire side
And dream as the day goes along
When I was a carefree young fellow
 life was just one happy song
 breee who deee oo ley de oo
 hyd ur lay oo dee oo dee oo
 breee who deee oo ley de oo
 hyd ur lay oo do oo dee

where are u my sweetheart of yesterday
 I feel so lonesome and blue
With nothing it seems but my memories
 Waiting to whisper to u

 breee who deee oo ley de oo
 hyd ur lay oo dee
 breee who deee oo ley de oo
 hyd ur lay oo dooo dee

at dawning one hopes comes to queary
 but while I bring sorrows a new
and night find me here with my momeries
 sending this message to you
 breee who deee oo ley de oo
 hyd ur lay oo dooo dee
 breee who deee oo ley de oo
 hyd ur lay oo dooo dee
