Riot Rhythm

Sleigh Bells

You've got a smart best friend and she's okay Have you had a smile today?

Close the door, take your seats

Or else you need to play for keepsDear heart, don't stop fighting

We're going to fight the lightning

It's not hell or heaven

Just like riot rhythm(You've gotta march)

Ah, ah, ah, ah, ah, ah

Ah, ah, ah, ah, ah, ah(You've gotta march)

Ah, ah, ah, ah, ah, ah

Ah, ah, ah, ah, ah, ahYou've got a smart best friend and she's okay

Have you ever felt that way?

Straight A kids like a treat

She stands up and takes the heatDear heart, don't stop fighting

We're going to fight the lightning

It's not hell or heaven

Just like riot rhythm(You've gotta march)

Ah, ah, ah, ah, ah, ah

Ah, ah, ah, ah, ah, ah
