LOVE OF MY LIFE (feat.dave matthews)

Santana

Where you are that's where I want to be
And through your eyes all the things I want to see
And in the night you are my dream
You're everything to meYou're the love of my life
And the breath in my prayers
Take my hand lead me there
What I need is you hereI can't forget the taste of your mouth
From your lips the heavens pour out
I can't forget when we are one
With you alone I am freeEveryday every night, you alone
You're the love of my life
Everyday, every night, you alone,
You're the love of my life
