

# Reward For Me

## Slightly Stoopid

Everyday my heart is sore  
It seem that I'm so poor  
But I shall not give up so easily There's a reward for me  
There's a reward for me Though I'm boarded down with shame  
Still there's no one here to blame  
But I shall not give up so easily There's a reward for me  
There's a reward for me  
There's a reward for me  
Everyday sing  
There's a reward for me Everyday my heart is sore  
It seem that I'm so poor  
But I shall not give up so easily There's a reward for me  
There's a reward for me  
There's a reward for me  
Everyday sing  
There's a reward for me
