

Children of Romania

Maisey Rika

Sun down
sit up in my room now,
the walls are closing in, closing in babe,
boarder line the sanity I keep up in my head,
innocence is stolen,
doomed from the beginning,
the walls are paper thin, paper thin babe,
the screams they lock me in, they lock me in and I join in

I think its time we realised
I said, I said I think its you see it through my eyes,
I pray for mistakes I never made,
children of Romania,
I pray for mistakes I'll never make,
the children of Romania, kia maania to Moe e

Sun down
sit up in my room now,
the walls are closing in, closing in babe,
boarder line the sanity I keep up in my head,
innocence is stolen,
doomed from the beginning,
the walls are paper thin, paper thin babe,
the screams they lock me in, they lock me in, they lock me in

I think its time they realised
(the truth, the lies, the sacrifice)
You win, you win,
I think its time they see it through my eyes,
I pray mistakes I'll never make ,
children of Romania,
I pray for mistakes I'll never make,
the children of Romania to mania to Moe,

Kaati to pouri ra, noho I te aroha, Romania.
