

# Elegy (album Version)

## Leaves' Eyes

Teardrop on a fragile eyelash  
She's looking like a dream  
Hoping for some understanding  
And answer or at least  
Cunning word a single sentence  
To restore her heart  
Aching since the day I left her  
Crossing lonely seas

Silent tears of a woman  
Make a warrior cry  
Heaven, I beg you  
Please release hopes from fears

This is my elegy  
Do you know what I feel?  
This is my elegy  
Do you believe it's real?  
Will I hold you in my arms again?

Dewdrops on a single rosebud  
This purity of rain  
Reminds me of the moment I left her  
Kisses filled with pain  
And if I should leave her waiting  
For another year  
Will she ever know the answer?  
Will she follow me?

Silent tears of a woman  
Make her warrior cry  
Heaven, I beg you  
Please release hopes from fears

This is my elegy  
Do you know what I feel?  
This is my elegy  
Do you believe it's real?  
Will I hold you in my arms

Hold you in my arms again?

Cunning word, a single sentence

To restore her heart

Aching since the day I left her

Crossing lonely seas
