

# Haven't Told You

Kelly Rowland

Look in my eyes  
What do you see?  
Only me  
Got nothing to hide  
Seek and you'll find  
Whats on my mind  
This happened so fast  
Not a part of my plans  
So I'm leaving my heart  
In your hands  
Haven't told you  
Just how much I love you  
Only by dreaming  
I show my feelings  
Haven't told you  
Just how much I love you  
Time for revealing  
And I will give  
You something too  
A love from me to you  
Ooh, yeah, oh  
Look in my eyes  
You know me so well  
Can't you tell  
That I'm way in to deep  
I'm going down  
So catch me now  
It happened so fast  
Not a part of my plans  
Now I'm leaving  
My heart in your hands, oh  
Haven't told you  
Just how much I love you  
Only by dreaming  
I show my feelings  
Haven't told you  
Just how much I love you, baby  
Time for revealing  
And I will give you something too

A love from me  
I feel you everyday I breathe you  
Every single moment from the start  
I see you constantly I feel you  
You moving slow not letting go  
You smile at me  
My heart is yours to keep  
Haven't told you  
Just how much I love you  
Only by dreaming  
I show my feelings  
Haven't told you  
Just how much I love you  
Time for revealing  
And I will give you something too  
Haven't told you  
Just how much I love you  
Only by dreaming  
I show my feelings  
Haven't told you  
Just how much I love you  
Time for revealing  
And I will give you something too  
A love from me to you
