

Deep Water

Asleep at the Wheel

Now I'm drifting into deep water I'm starting to care for you.

You're getting me in deep water be careful what you do.

Now you want a romance but I'm seeking love I know I was ready when it ends
'cause I'm winding up in deep water why can't we just be friends Now it's restless in this deep water I'm off
between right and wrong.

And my love is true as deep water your love won't last as long.

Now where will it lead me and where will it end? I can't help but wish I only knew
'cause I'm winding up in deep water so deep in love with you.
