

It Can Happen

Fool's Garden

[Chorus]

It can happen to you

It can happen to me

It can happen to all of us

I'm trying to see

It's a little too late

I've made a little mistake

It can happen to anyone

So don't be afraid I can't fix it

I cannot choose

The situation is bad

You win I lose

I say 'sorry'

You say 'no'

So I will pack my things and go

Maybe it's better when I'm going away

I think it's better when I'm trying to stay I say 'bottom'

You say 'top'

I could explain

But you say 'stop'

I can't undo this thing I've done

I've been an asshole now you're gone

Maybe it's better when you're going away

I think it's better when you're trying to stay [Chorus] It's not easy (not easy)

It's not right (not right)

That you say 'black'

When I say 'white'

I feel sorry, please believe

Your little fool has come too grief

Maybe it's better when you're going away

I think it's better when you're trying to stay Pretend - release

The end - I say 'cheese'

I can't - stand no more... [Chorus]
