Dark Venus Persephone

Therion

Together in underworld, Hades and Persephone
Daughter of Ceres a tragic fate
It fell to your lot the day you ate
Apples from the Elysian fieldsPersephone
In underworldForever in the underworld, the fate of Persephone
Only the summer will set you free
But you'll be forced back to your husband
When you taste the pomegranate juicePersephone
In underworldPersephone
In underworldInside the underworld
Inside the ice and winter snow
Water of Cyane your girdle floatUnderworld Venus
