

# Lorelei (Remix)

## Tom Tom Club

Lorelei  
Maybe you like a little melody  
It's not the words that move meLorelei Lorelei Lorelei  
Maybe you like a lullaby  
Now I can't remember whyLorelei Lorelei Lorelei  
Intuation's leading us where  
I don't know yetLorelei Lorelei  
Something's happening  
Hard to place it  
Hard to hide itLorelei Lorelei  
What is happening  
I'm not sure  
I guess you know itLorelei LoreleiDeep in the jungle of thought  
There comes a clearing  
And in the clearing  
There is a poolThe pool is deep  
The water cool  
This is the thought  
The thought is youLorelei Lorelei LoreleiIntuition's leading us where  
I don't know yetLorelei Lorelei  
Something's happening  
Hard to place it  
Hard to hide itLorelei Lorelei  
What is happening  
I'm not sure  
I guess you know itLorelei Lorelei  
Lorelei Lorelei  
Lorelei LoreleiAcross the wasted plain  
Across the twisted dunes  
Beyond the colored lights  
The mountain loomsThe air is thin  
The door within  
The sea of light  
The light is youLorelei Lorelei Lorelei
