

Stranger In A Strange Land

Eddie Money

Living on this lonely street
A stranger in this town
Feel it in this cold concrete
Whenever I'm around On the outside looking in
It's a mystery
When I'm out there in the wind
I know I'm feeling free I know I'm a stranger in a strange land
Just a stranger, I'm a solitary man
All alone I stand about
Just a stranger in a strange land
In a strange land, j-j-j-just a stranger Seems I'm spending half my life
Saying long goodbyes
On the edges of a knife
I leave it all behind In another place and time
I'll find where I belong
But until that day arrives
I, I, I guess I'll be moving on 'Cause I'm a stranger in a strange land
(I'm a stranger)
Just a stranger I'm a solitary man
(J-j-j-j-just a stranger)
All alone I stand, I stand now
Just a stranger in a strange land
I'm a stranger, in a strange, strange land
J-j-j-j-just a stranger, yeah I'm a stranger, in a strange, strange land
Hey, [Incomprehensible], I'm a stranger I'm a stranger in a strange land
(I'm a stranger, in a strange, strange land)
Just a stranger, I'm a solitary man
(I'm just a stranger, I'm alone, alone)
I'm a stranger, in a strange, strange land
(I'm a stranger, in a strange, strange land)
Just a stranger, I'm a solitary man
(I'm just a stranger)
I'm a stranger in a strange land
