

# Ready For Love (Radio Edit) [www.djwitek.prv.pl](http://www.djwitek.prv.pl)

## Cascada

You took a piece of my heart  
I never thought that this could fall apart  
You said you fell in love  
And this was more than I had ever been afraid of  
Another life  
Another happy ending cuts like knife  
Another place, another time  
Another hand to touch, another sun to shine  
You got me deeper than deep, I'm constantly flying  
I'm running around but there's no place to hide  
I start to talk in my sleep, our souls have divided  
Why can't they forgive me these demons inside  
Deeper than deep, I'm constantly flying  
My heart starts to shiver for I was letting up  
I start to talk in my sleep, cause our souls have divided  
How can it be that you're ready for love  
Ready for love  
How can it be that you're ready for love  
Time will tell  
A single day had helped me break this spell  
Don't want to be alone  
When will I be understood when is my kingdom to come  
Another boy, another life  
Another happy ending, and I'll be alive  
Another place, another time  
Another hand to touch, another sun to shine  
You got me deeper than deep, I'm constantly blinded  
I'm running around but there's no place to hide  
I start to talk in my sleep, our souls have divided  
Why can't they forgive me these demons inside  
Deeper than deep, I'm constantly flying  
My heart starts to shiver for I was letting up  
I start to talk in my sleep, cause our souls have divided  
How can it be that you're ready for love  
How can it be that you're ready for love  
How can it be that you're ready  
for love
