

# Give It Up

## Hothouse Flowers

Well, I'm coming face to face with my conscience  
Coming to an understanding of myself  
Clear out all the old cobwebs

Clear out all the old books from the shelfThis song is inspired by a good man and his tune  
Thinking good of others sing 'Amazing Grace' to you  
It doesn't really matter if you're all jumbled up inside  
As long as you know that love is endless and the world is wide

As long as you knowGive it up

Share it out

Help, help who you can

Talk about itIt's late in the morning, close to the time

And Mary's in the alley she never stops smiling

Always love to see her she means a lot to me

But I know she's got a hard time trying to make ends meetGive it up  
Share it out

Help who you can

Talk about itDown Georgia Street arcade where the poor children play

Gathering up charity to help them make their day

Well me, I was once their age, once I was young

But I know, I had my family to fall back onGive it up

Share it out, yeah

Help who you can

Talk about itOh, give it up

Share it out

Help who you can

Don't just talk about it

Talk about itHelp these child

Help these childGive it up

Share it out

Help who you can

Talk about itGive it up

Share it out

Help who you can

Talk about it
