

# Lamplight

## Bombay Bicycle Club

You mirror gaze while I decide  
The moment you were deified  
You turn as if your mind replies  
If your devout is unsurmountable Chorus  
These scattered flashes of delight  
They can't help but sway your mind Never really put me right  
The words we said by dim lamplight  
Bodies cold and intertwined  
I feel the spirit  
I feel the... Chorus  
These scattered flashes of delight  
They can't help but sway your mind These scattered flashes of delight  
They can't help but sway your mind (Breakdown) Chorus  
These scattered flashes of delight  
Can't help but sway your mind
